

AP FRENCH SUMMER WORK

2009

MME FINNEGAN

NOM _____ UNE FOIS POUR TOUTES # _____

Bienvenue au cours de FRANÇAIS AP! To help you get ready for our class activities in the fall, here are a few assignments you must complete during the summer. I will give you an envelope with your handouts and textbook on our exam day. If you sign up for AP after the school year ends, you may pick up your assignments in the GUIDANCE OFFICE. You will see that the assignments include vocabulary development, language structure/grammar, reading, a little writing, and even some speaking! Please come to class in September with all of your work in a notebook. If you have questions, please free to e-mail me at Kristine.Finnegan@VBSchools.com.

TÂCHE (task) 1 CAHIER

Get a notebook with dividers that you can devote to AP FRENCH.

TÂCHE 2 STRUCTURE

In the UNE FOIS POUR TOUTES book, look at lesson 1, pages 1-19.

- a) Look at all the "modèles" and "explications"
- b) Complete all the "exercices de réflexion" and "exercices de verification" activities. Keep all the work in your notebook.

TÂCHE 3 LECTURE

A good way to understand another culture is to read what their children read. So, READ the 2 stories in your handouts "LE PETIT PRINCE" and "LE PETIT NICOLAS" and complete the exercises and activities in the handouts. Keep the stories and any additional pages you use in your notebook.

TÂCHE 4 DICTIONNAIRE

Shop around for a good French dictionary that you can keep at home.
